Дорогие мальчики и девочки!

Я надеюсь, что вам уже понравилось изучать английский язык. Вы уже знаете много английских слов и умеете читать. Пришло время познакомиться с грамматическими основами английского языка.

Этот сборник упражнений — первый в целой серии. Степень их сложности будет возрастать от книги к книге. В каждом сборнике вы найдете много разнообразных грамматических упражнений. Я верю, что вы не будете скучать, выполняя их. Конечно, вам придётся потрудиться. Я думаю, вы знаете хорошую русскую пословицу “Без труда не выловишь и рыбку из пруда”. У англичан есть своя, с тем же смыслом: “A cat in gloves catches no mice”.

Если вы возьмёте себе за правило выполнять 2–3 упражнения в день, то скоро почувствуете себя намного увереннее на уроках английского языка у себя в школе. Помните, что все выполненные упражнения нужно прочитывать вслух! Обязательно просите родителей послу-

шать, как вы читаете! Не пропускайте ни одного упражнения!

Проработав все задания из этого сборника, приступайте к выполнению упражнений из следующего.

Я уверена, что у вас всё получится.

Желаю успеха!
