Г 12 Грамматика английского языка для школьников:
Сборник упражнений. Книга III. — СПб.: КАРО, 2013. —
272 с.

ISBN 978-5-9925-0741-6

Предлагаемый сборник упражнений является пособием для изучения и закрепления основ грамматики английского языка. Лексические и грамматические темы в этом сборнике частично дополняют объем учебника И. Н. Верещагиной (IV). Сборник может быть использован как дополнительный лексический и грамматический материал в классах, работающих по программе И. Н. Верещагиной и по другим учебникам и программам. Сборник оснащен таблицами по всем изучаемым и закрепляемым грамматическим временам. Пособие рассчитано на школьников средних классов общеобразовательных и специальных школ.

Тематический лексический материал может быть использован преподавателями для подготовки учащихся к творческим работам.

В книгу также включен словарь, основанный на материале, использованном в книге.

ПРЕДИСЛОВИЕ

Дорогие девочки и мальчики!

Мы продолжаем наши встречи на страницах серийного выпуска сборника под названием “Грамматика для детей”.

В этой книге мы с вами в очередной раз пополним наш лексический запас фразами по различным темам. Усвоив эти фразы с помощью упражнений, вы сможете использовать их в своей речи и в сочинениях в школе. А также мы повторим самые основные грамматические времена, которые, я надеюсь, вам уже знакомы из предыдущих сборников (Present Simple (Present Indefinite) Tense, Present Progressive (Present Continuous) Tense, Past Simple (Past Indefinite) Tense, Future Indefinite and Present Perfect).

Перед выполнением упражнений обязательно попытайтесь выучить фразы, на основе которых построены упражнения. Знание этих фраз поможет вам не только выполнить упражнения, но и составить рассказы по этим темам.

В этой книге вы также познакомитесь с новыми грамматическими конструкциями и, выполнив упражнения, основанные на этих

конструкциях, сможете пользоваться ими в своей речи.

В очередной раз я желаю вам удачи в пути по стране под названием “Английская грамматика”.

Гацкевич М. А.

НАЧИНАЕМ ГОВОРИТЬ ПО-АНГЛИЙСКИ — 208 с.

Начинать какое-то новое дело — всегда трудно, но в то же время занимательно и интересно, особенно в младшем школьном возрасте. Автор пособия Марина Анатольевна Гацкевич предлагает ребятам сделать первые шаги в активном освоении английского языка.

Книга позволяет школьникам не только научиться понимать и переводить тексты на иностранном языке, но, что самое главное, самостоятельно строить диалоги и рассказы по предложенной теме. В этом им помогают дополнительные вопросы и творческие задания, предложенные автором. Чтобы лексический материал усваивался лучше, в каждой теме приводится словарь.

Пособие адресовано учащимся начальной школы.

Гацкевич М. А.

**МОИ ПЕРВЫЕ ТЕМЫ
ПО АНГЛИЙСКОМУ
ЯЗЫКУ — 240 с.**

Пособие представляет собой сборник тем для учащихся средних школ. В сборнике рассматриваются такие темы, как “My Family and I”, “Daily Life”, “My Friend”, “School Life”, “Favourite Animals”, “Hobbies”, “Seasons”, “Travelling”, “Moscow”, “St. Petersburg”, “London” и др.

Тексты-рассказы, письма, написанные от лица российских и англоговорящих школьников, диалоги позволяют учащимся запомнить новые слова и выражения, подготовиться к устному ответу и написанию сочинения.

С помощью упражнений к текстам и диалогам школьники закрепляют пройденный материал и учатся подробно отвечать на вопросы. Новые слова даны в словарики в каждой теме.

Все тексты и диалоги записаны на компакт-диск. Учителя могут использовать их в качестве заданий на аудирование. Регулярное прослушивание аудиозаписи помогает детям совершенствовать произношение и учиться понимать живую английскую речь на слух.
